Taha Musani

✉ musanitaha37@gmail.com   📞 +91 6355512080   📍 Rajkot, India

As a passion for frontend development and a solid foundation in HTML, CSS, and JavaScript, I am eager to embark on a career as a frontend developer. Through coursework, personal projects, and internships, I have honed my skills in building responsive and visually appealing web interfaces. With a keen eye for design and a commitment to staying updated with the latest web development trends, I am excited to bring fresh perspectives and enthusiasm to a dynamic team.

- SQL
- Java
- C

Courses

Programming with JavaScript   09/2023 – 11/2023
Coursera

The Fundamentals of Digital Marketing   01/2023 – 03/2023
Google

Projects

Recipe Finder ⬈
- Developed a recipe finder web application using HTML, CSS, and JavaScript, allowing users to search for recipes based on ingredients and dietary preferences.
- Implemented responsive design principles to ensure optimal user experience across various devices, enhancing accessibility and usability.
- Utilized asynchronous JavaScript techniques, such as fetching data from external APIs, to dynamically display recipe results in real-time, providing users with up-to-date information and seamless browsing experience.

Tic-Tac-Toe ⬈
- Designed and developed a classic tic-tac-toe game using HTML, CSS, and JavaScript, offering a fun and interactive gaming experience for users.
- Implemented game logic to enable two players to take turns marking X and O on a 3x3 grid, with win detection to determine the game outcome..

To-Do ⧉

- Created a to-do list web application using HTML, CSS, and JavaScript, enabling users to manage tasks and stay organized efficiently.
- Implemented features such as adding, editing, and deleting tasks dynamically, providing users with flexibility and control over their to-do lists.
- Incorporated local storage functionality to save tasks persistently, ensuring data persistence between sessions and enhancing user convenience.

Certificates

- Introduction to Git, Github and CodeSpace

- Google Analytics for Beginners
